**Optical Wireless Mobile Mouse
User Manual**

Battery Installation

Note: The pictures shown in the User's Manual are for demonstration purposes only. Your product may look slightly different.

To properly install batteries into your Mouse, please follow the instructions below:

1. Press the Cover Release Button on the top of your Mouse and slide to remove the Battery Compartment Cover from your Mouse.

Cover Release Button

2. Install two AAA Batteries into your Mouse following the battery orientation guide in the battery bay and then replace the Battery Compartment Cover back onto your Mouse until it securely locks.

3. After the AAA Batteries have been installed into your Mouse properly, the LED inside your Mouse will light up.

FCC WARNING

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:
(1) this device may not cause harmful interference, and
(2) this device must accept any interference received, including interference that may cause undesired operation.

NOTE 1: Any changes or modifications not expressly approved by the manufacturer could void the user's authority to operate the equipment.

NOTE 2: The manufacturer is not responsible for any radio or TV interference caused by unauthorized modifications to this equipment. Such modifications could void the user's authority to operate the equipment.
